Statement by ANZ Terminals re ACCC Statement Of Issues regarding the proposed acquisition of Australian terminals business of GrainCorp Limited

ANZ Terminals notes the Statement of Issues (SOI) released today by the Australian Competition and Consumer Commission (ACCC) in relation to ANZ Terminals' proposed acquisition of the Australian terminals business of GrainCorp Limited, GrainCorp Liquid Terminals (Australia) Pty Limited.

The SOI provides the ACCC's preliminary views on the proposed acquisition and does not constitute a final decision by the ACCC.

ANZ Terminals acknowledges the importance of the ACCC process and continues to engage with the ACCC in its review of the proposed acquisition.

ANZ Terminals is committed to obtaining the necessary regulatory approvals and satisfying other conditions precedent to enable the successful completion of the proposed acquisition.
